Open House 12 to 3 PM, Sunday, March 1st. New lower price for this historic Casa Marina home makes it priced to sell! Enjoy a short walk to the beach, fresh ocean air and nearby tennis and various parks with this Southern craftsman style home in the prized Casa Marina neighborhood of Key West. With recent renovations, this charming 2 BR and 2 BA home is bright and fresh and move in ready to enjoy the upcoming holidays and famous mild winters that make Key West an international destination to seek refuge from the cold. There's room to grow by transforming the spacious attic with a dormer window into a loft and the potential for the addition of a swimming pool. On a corner lot and with wide streets, the setting is open and airy. Features like a wide front porch, a dining deck off the kitchen, tall ceilings, fenced outdoor living
